

6017102 BLUESTAR SIGNAL PREMIUM W

DESCRIPTION

Very soft winter glove with a goat skin leather palm. Reflector fabric (100% cotton) on knuckle. Mesh fabric (100% polyester) on back and cuff.

Lining made of 75% cotton/25% polyester fleece fabric.

Constructed with a water membrane in the entire glove, that prevents the hand from getting wet when working in moist conditions.

Print and color may vary.

FEATURES

- Hi-Viz
- Full membrane

SUITABLE FOR

- Work in cold and moist conditions.
- Work where visibility is needed
