

6012950 BLUESTAR VITAE I

DESCRIPTION

Seamless machine knitted Bamboo/Nylon/spandex liner (15 gauge) with foam nitrile coating on palm and fingertips and elasticated integral wrist. Excellent fit, flexible wearing comfort due to the natural Bamboo yarn that are soft as silk. The bamboo fibers are filled with micro-holes leading to excellent moisture absorption and ventilation in warm weather (50% higher moisture absorption rate than cotton). Also perfect for cold weather due to the micro-holes, which have an isolating feature. High abrasion resistance due to strong bamboo fibers and the anti-abrasive properties of the Nitrile Sponge coating. Excellent grip in oily and wet conditions.

FEATURES

- Unparalleled softness and temperature adaptability due to Bamboo fibers
- Perfect for warm and cold weather
- Reduced particle shedding
- High abrasion resistance
- Free of silicone
- Actifresh sanitized

SUITABLE FOR

- Automotive assembly
- Oily parts and tools handling
- Engine assembly
- Metal drilling / die cut
- General maintenance

SPECIFICATIONS

Product name	BlueStar Vitae I
Art.No.	6012950
EN	EN420:2003+A1:2009, EN388:2016 (4.1.2.1.X), EN407:2004 (X.1.X.X.X.X)
CE-category	II
Sizes	6 – 11
Material	Bamboo/Nylon/Spandex, Nitrile
Color	Melange grey, black
Unit	12 pair/bag, 144 pair/carton
Length	Approx. 25 cm / x

Print and color may vary.
